

PRODUCT DESCRIPTION & BENEFITS

High-quality wall-mounted 1000 ml & 500 ml hands-free dispensers. The elbow handle allows for hands-free operation and eliminates the need for batteries. The dispenser is designed for those areas where hand hygiene is crucial, such as kitchens and health care environments.

- Excellent quality and a five-year warranty on dispensers
- Protection: Possibility of system protection (special lock-out)
- 100% Made in Holland
- Invisible lock system; no key needed
- Hands-free handle attached
