Important notes in relation to this declaration

The information included in this document is valid from the stated version date until this document is superseded. Because of possible changes in the underlying legislation and regulations, as well as possible changes in our products, we cannot guarantee that the status of this document will remain unchanged. We therefore recommend our customers to verify the regulatory status periodically by accessing our Sales department. It will be renewed in all cases where the previous conformity is no longer ensured and in case of changes in the regulations.
